Land report is invited to para 5 of G.O. No 1269 Mug 49-28-2 dt 1.3.29 re transfer of lands of depressed Institutions to other Inzirai Institutions. In the present report it is stated that the land may be transferred to the Navaz Bore so that the Compensation awarded for the land which is proposed to be acquired for the Sewage Farm may be utilised for putting up a Compound Wall to the Bore. Whether this can be treated as Coming within the purview of the G.O. is for Consideration. The DMC's recommendations are as follows.

Inam lands endowed to Chanajeiah's Maharasthan, Bandipore, Mysore City.

---

With reference to your Memo No. Jag.63/32-33 dated 11th September 32 forwarding a copy of G.O. No.Rev-91/Mus.50-32-1 dated 1/7-9-32 sanctioning the proposal to cancel the Inam tenure of R.S.No.1 of Bandipore, whose land endowed to the above Maharasthan, I have the honor to state that as per instructions given at the time of the inspection of this and other lands on 16-5-32 in connection with the acquisition of lands for the Sewage Farm, it was decided that this land and another viz., Re-S.No.18 of Bandipore should be reserved for the Maharasthan of the Mysore City and that Re-S.Nos. 18 and 19 of the said village of which the former is an inam endowed to the above said institution should be acquired for the Sewage Farm. Hence Re-S.No.18 will be acquired for the Sewage Farm.

The Namaz Pore at the Ediga Extension, Mysore City, is an important place of Mahomedan worship where people assemble in large numbers once a week for prayers. The importance of the Namaz Pore could be gauged from the fact that the Palace sends a double-horse carriage with honours to take the Khazi and the Resh-Imam from the Jumma Masjid to the above said place twice a year. The place requires a compound wall. As Mysore is a growing town, this improvement is necessary and urgently called for. The cost of putting up the compound wall may be met from the amount of compensation which is to be awarded for S.No.18.

I therefore request that sanction of Government may kindly be obtained for the transfer of Inam Survey No.18 to the Namaz Pore.

In this connection I may state that S.No.199 measuring 11 acres 1 gt of Kempaiyyanahalli, Mysore Taluk, which had been endowed as Inam land to the Namaz Pore was acquired by the City Municipality, Mysore, and the compensation of Rs.2238-14-0 awarded has been credited to the Savings Bank account No.6151 in the name of the Chief Executive Officer, Mysore, in the District Treasury, Mysore. Out of the interest on the deposit monthly allowance of Rs.7/- is being paid to Sayed Abdulla Saheb as it is stated to have been enjoying the Inam lands and rendering services to the Namaz Pore. I have also stated that the Trustees of the Namaz Pore in the Mohalla establishment may be asked to perform these services or they may be paid some portion of the interest from the present acquisition as per rules in force, whenever,
